CRŪ WINERY

2023 GSM Paso Robles

VINEYARD — French Camp, Paso Robles Highlands District

The 2023 CRŪ Winery GSM was sourced from the French Camp Vineyard in the Paso Robles Highlands District. Located just north of the Temblor Mountains at the southeastern corner of the Paso Robles AVA, French Camp Vineyard has one of the more unique terroirs (combination of rainfall, temperature, and soils) for growing grapes in California.

TASTING NOTES

GSM stands for Grenache, Syrah and Mourvèdre, three grapes traditionally grown and blended together in the Rhône region of France. We took inspiration from this classic blend to create our own GSM wine that showcases both red fruits and rich flavors.

This complex wine opens with notes of raspberry, wild strawberries and white pepper that develop into juicy flavors of black cherry and plum. The finish is long and savory accented by balanced tannins and toasty oak.

The flavors in this wine make it ideal for pairing with hearty spaghetti and meatballs, mushroom and sausage pizza or anything from the grill.
