Viognier

Happy Canyon of Santa Barbara

APPELLATION

Happy Canyon of Santa Barbara

The Happy Canyon of Santa Barbara AVA is located in the far eastern edge of the Santa Ynez Valley and is one of the smallest AVAs in Southern California.

The area is known for rolling terrain, high slopes and varied soils. During the growing season, Happy Canyon enjoys foggy mornings, warm afternoons and cool nights leading to grapes that ripen evenly on the vine and burst with juicy fruit flavors.

TASTING NOTES

With a light straw color, this wine opens with lovely aromas of peach, pineapple and honeysuckle. The elegant fruit and floral tones continue to build leading to flavors of lemon chiffon, guava, mandarin and orange blossom with a hint of honey on the long finish.

The CRŪ Winery Viognier pairs well with a variety of foods. We recommend pairing it with shellfish in a creamy sauce, roasted chicken or turkey or yellow curry dishes.
